

**Dear Parents and Professionals,**

It gives us great pleasure to announce that ILRC will now be offering Sibshops, an exciting program just for brothers and sisters of kids with disabilities. At a Sibshop, brothers and sisters will:

- Meet other brother and sisters of children with disabilities
- Have fun
- Talk with others who “get it” about the good (and sometimes not so good!) parts of having a sibling with disabilities
- Learn more about disabilities and the services that people with disabilities receive
- Have some more FUN!

**Who are Sibshops for?** Siblings ages 8-12 of kids with disabilities.

**Who sponsors Sibshops?** Sibshops are sponsored by the Independent Living Resource Center, Jefferson City, MO.

**Who runs Sibshops?** Our Sibshops are ran by a team of people who have professional and/or personal understanding of the impact a child’s disability can have on brothers and sisters. Equally important, they all have great kid skills!
